

DELIVERY MASTER

This rugged DuraPlate Body delivers superior performance in a compact and economical parcel delivery van that is optimal for city routes. Shown with full width roll-up rear door.

The UTILIMASTER Delivery Master is the perfect alternative to a traditional cargo van.

Utilimaster Delivery Master Advantages

- Full interior stand-up height (78")
- 1,300-lb higher payload than a cargo van
- 79" interior width
- 10' and 12' lengths available
- Single rear wheel
- Up to 10,100 GVWR
- 3 year limited warranty
