

Trademaster

The ultimate tool for every trade.

Your business moves with you. From job sites to service calls, you’re always changing locations. Accessing your tools and equipment on the go is how you deliver, and with the Utilimaster Trademaster Class 3 service vehicle everything is within reach.

Purpose built for every route, every load

General Motors cutaway, Ford E-series cutaway, or Ford Transit cutaway – we start with your preferred chassis and design to deliver, with plenty of interior cargo space for moving the materials and gear you need to do your job. Plus, multiple exterior storage compartments to give you quick and easy access to the tools of your trade. Trademaster will deliver a hard-working workspace for your most demanding jobs.

Key Features

- Rugged Utiliplate™ sidewalls**
are resilient, lightweight, and long-lasting.
- Cargo-area workspace**
for an on-the-job office.
- Ample exterior storage**
keeps tools in reach.
- Extra wide 50” rear door opening**
makes moving material efficient.
