

At a Glance

- Rugged Utiliplate™ Construction
- Easy access exterior storage
- Full-height bulkhead and cargo-area work space
- 5-year limited warranty

A PLACE FOR EVERYTHING. NO MATTER WHAT PLACE YOU'RE AT.

Trademaster keeps your business going and growing.

Your business moves with you. From job sites to service calls, you're always changing locations. But the one constant you have is the need to have access to your tools and equipment, so you can consistently deliver on your promises.

Utilimaster is proud to reintroduce the Trademaster Class 3 service body vehicle. Designed from the chassis up to provide plenty of interior cargo space for moving the materials and gear you need to do your job. Plus, multiple exterior storage compartments to give you quick and easy access to the tools of your trade.

Chassis

- GMT 40 Series
- Ford Econoline
- Transit Chassis

Exterior Compartment Options & Dimensions

Model Length	Vertical Side Compartments	Horizontal Side Compartments
10'	2 (19.5" W x 41.5" H)	4 (37" W x 17.5" H)
12'	4 (19.5" W x 41.5" H)	4 (37" W x 17.5" H)
14'	6 (Four 17.5" W x 41.5" H and Two 19.5" W x 41.5" H)	4 (37" W x 17.5" H)

Customized from the chassis up.

GMT 40 Series, Ford Econoline or Transit, no matter what chassis we build on, we isolate it from the subframe for a smoother, more comfortable ride for you and your gear. Then, we custom upfit the cargo area to fit your needs with the following:

- Shelving and bins
- Interior compartments
- Vertical and Horizontal exterior compartments
- Optional jobsite lighting and telematics

Built rugged for the rigors of your job.

From top to bottom, inside and out, Trademaster is built tough to handle your equipment and materials with unmatched strength and durability. Giving you a hard-working and reliable workspace for your most demanding jobs. Here are just a few features you can count on:

- Premium doors that are tubed framed and aluminum welded
- Corrosion resistant Utiliplate™ body
- Heavy-duty hinges on rear and compartment doors
- Anti-rust galvanized rear structure

Partner with Utilimaster to custom build a versatile Trademaster vehicle to keep your business moving in the right direction.
